

RAPID RESOURCE FUND 2020 GRANTEES

APPLICANT	PROJECT	AMOUNT
Child Care Resources	The grant will support CCR's training and funding of three CBOs to implement online courses by Dec. 2020, with a goal of engaging 35-40 youth through the Brothers & Sisters Program.	\$20,000
Community Network Council	The grant will support hiring a coding instructor to provide culturally and age-appropriate online instruction to the Black and Brown elementary, middle school and high school students CNC serves in the Kent School District.	\$20,000
Highline Schools Foundation	The grant will support the Trackademics program at New Start High School and provide students access to music production and artist development curriculum, mentorship, and entrepreneurial skills.	\$20,000
Neighborhood House	The grant will give parents and children the opportunity to participate in parent support groups and acquire technology literacy skills from the safety of their homes.	\$20,000
Open Doors for Multicultural Families	The grant will support the COVID-19 Reconnecting to School project that aims to aid family navigators who work directly with families. This funding opportunity will support 500 staff hours over the project year.	\$20,000
Para Los Niños	The grant will support PLN's work to decrease the education gap, increase accessible learning opportunities, and promote leadership and inclusion in decision-making for Latinx immigrant families in the Highline School District impacted by the COVID-19 crisis.	\$20,000
Somali Parents Education Board	The grant will support convening parents by establishing a definition of advocacy that is rooted in their experiences, designing a process for how they want to implement advocacy efforts.	\$20,000
Somali Youth and Family Club	The grant will support workshops with the goal to impact family relationships centered in understanding of trauma both in the home and isolation relating to the COVID-19 crisis.	\$20,000
South King County Discipline Coalition	The grant will support convening parents by establishing a definition of advocacy that is rooted in their experiences, designing a process for how they want to implement advocacy efforts.	\$20,000
Washington Multicultural Services Link	The grant will support a newly formed grassroots non-profit's effort to provide workshops and networking to East African families who have children with disabilities and special healthcare needs.	\$18,500
Boys & Girls Club of King County	This grant will increase the scale of the Peacemaking Circles program to serve more youth, support young people's leadership, and ensure more youth have the resources, knowledge, with an emphasis on their physical and mental health.	\$12,500
